BRAE LODGE HEADLIGHT

An Iowa Grand Champion and Sire of Champions.

★ ★ ★

Select from 54 Lots of the Top Productions from
Helfred and Comrie Farms

Welcome to
HELFRED FARMS

It is with much pleasure that we extend to every lover of good live stock a personal invitation to attend our auction sale at Helfred Farms on October 2d, where our patrons will have an opportunity to study the breeding herd, the sires that are in service and our methods of production.

We are pleased to have Comrie Farms, Grand Rapids, Michigan join us in this event. Their herd is one of the leading herds in the east, being founded on the best females that could be bought. We have given this sale a lot of consideration, none but the best and most useful cattle are being cataloged, including all the cattle that were candidates for our 1942 and 1943 show herd.

The bulls are by far the best we have ever sold, all are grand colors and fine individuals, good enough to head the best herds in the country. We are especially pleased with our offering of females. They are as fine an offering as we have ever assembled for a sale. There will be nine head sired by that grand breeding bull, Fascinator, six sired by Braelodge Headlight, and five sired by the champion Sunray, quite a few of these are either bred or will be bred, to our new Imported bull, Bapton Major.

That our work in improving the Shorthorn breed has met with success is attested by the large number of discriminating breeders who have attended our sales and the excellent patronage they have given us, which we prize very highly. In making up the footnotes we do not wish to praise our own cattle beyond their real merit, your verdict will be final and cheerfully accepted as to their respective value. Our greatest desire is that they prove profitable to those who buy them.

Everything possible will be arranged for your comfort sale day. We especially enjoy seeing our old friends and neighbors and hope to meet many new friends. Whether or not you prove to be a buyer, we want you to enjoy your visit.

Signed
F. W. HUBBELL

"Championship Blood That Reproduces Its Kind"

★ ★ ★

Never has it been necessary to furnish testimony regarding the quality of Helfred Shorthorns because the show rings of America have provided ample proof that they are capable of winning the highest honors in competition with the breed's best.

From an original foundation that represented top individuals drawn from the greatest herds in North America and Scotland, champions and first prize winners in liberal numbers have been produced. Always, during the earlier years of the herd's existence, these champions were returned to Helfred for a further intensification of the blood that produced them . . . a program that was pursued for the purpose of breeding a uniformity of top individuality into ALL Helfred calves. That the program has been successful is indicated by the fact that first prize for the best ten head group at the International Live Stock Show has been won by Helfred entries for **five consecutive years**. Such winnings provide positive proof that top quality is an inherited characteristic in Helfred Shorthorns and that each of these superior individuals may be expected to reproduce his kind.

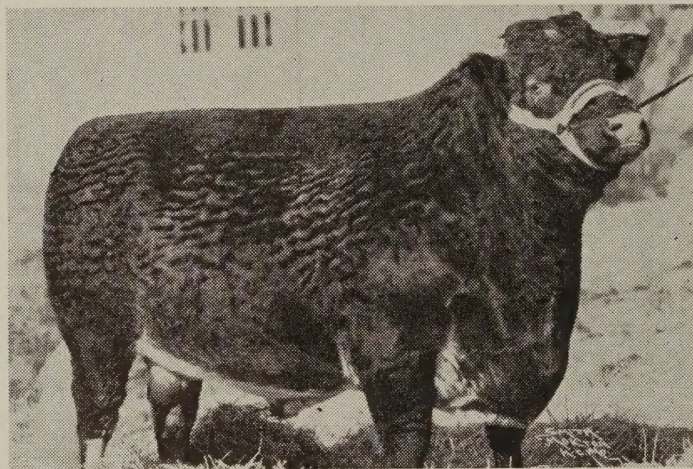

Fortunate indeed for prospective buyers is the fact that Robert Macfarlane has joined Helfred Farms in providing this sale offering. Those who partake of this excellent source of supply are sure to improve their positions in the Shorthorn industry.—Will Johnson of The Shorthorn World.

No volume, even the size of this sale catalog, would be sufficient to list the record of performance of Helfred Farm Shorthorns. This record covers the entire Shorthorn field and year after year it has been the "Get" of the great Helfred Farm herd bulls that were the undefeated and top winning entrants at the major stock shows of the nation.

The carefully planned breeding program at Helfred Farm has been quick to take advantage of the results of proper blending of this championship blood and the consistency of these winnings is your key to the relative value of Helfred productions, the produce of great sires and dams.

The 1943 Helfred offering being supplemented as it is with a splendid draft of choice young females from Comrie Farms, owned by Robert Macfarlane, Grand Rapids, Michigan, combine to furnish a group of young breeding bulls and females that rank with the finest in America. That these fifty outstanding individuals are certain to add further prestige to both Helfred and Comrie Farms, is all that should be necessary to create in YOU the desire to own some of them.—Mervin Aegerter, Shorthorn World.

For Reference

COLLYNIE CLIPPER STAR

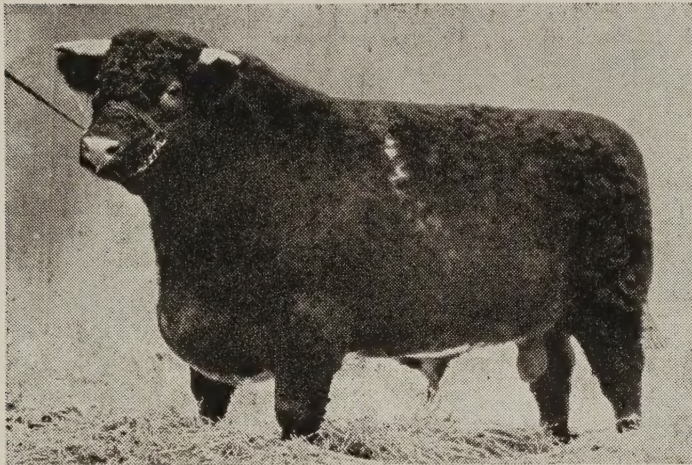

Was grand champion bull at the 1930 American Royal and International. He sired both the grand champion and junior champion bulls at the Iowa State Fair, as well as numerous first prize and champion females. He proved a very good sire in this herd especially of females, they all made outstanding breeding matrons.

HELFRED VERBENA 3d

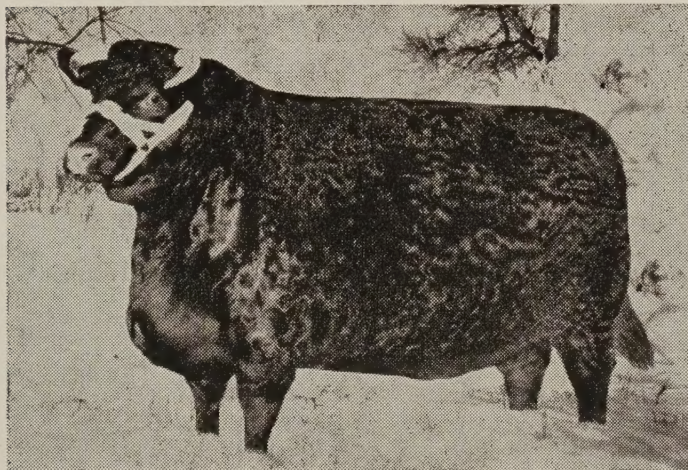

First prize Senior yearling heifer at the International in Chicago. She is just a sample of animals sired by Collynie Clipper Star.

For Reference

SNI-A-BAR GOLDEN RING

Was the top selling bull in one of the Sni-A-Bar sales. He was a very short legged, low down, compact bull. At the time we bought him he was considered on the small order, he was just the type we are looking for today. All of his calves had that same thick natural flesh that is still prevalent in the herd today.

ROSEWOOD of HELFRED 4th

Undefeated for two years as a Senior Yearling and two year old heifer, she won Grand Championship honors two years in succession at the International. She is sired by Sni-A-Bar Golden Ring.

For Reference

FASCINATOR

Proved to be one of the best sires of females in the country. They won championships and first prizes at every show they were exhibited. There will be seven daughters of his sold in this sale. Their quality is so well known no further comment is needed.

BRAE LODGE HEADLIGHT

Is proving one of the most consistent good sires of both bulls and females of any bull in the country. His bulls are going into herds and proving better than anything they had ever used. We often hear the remark that Headlight bulls are breeding fools. His daughters are all very thick, smooth, short legged with good heads and they make outstanding producing cows.

SUNRAY

International Grand Champion

Had a tremendous width and depth of natural smooth flesh. His untimely death cut short a career as one of the great breeding bulls of all time. His sons and daughters in the herd will bear out this strong statement, they have everything a good profitable beef animal should have. You will see for yourself sale day.

HELFRED-COMRIE FARMS SHORTHORN SALE, OCTOBER 2, 1943.

Was bought on order in the 1943 Perth Sale held in Scotland, by F. W. Harding, Chicago, Illinois, where he placed well up in the prize list. His sire, Bapton Air Pilot, is regarded as one of the two or three top sires in Great Britain today. The average price of his get sold in the 1943 Perth Sale was next to the highest sold. He sired Bapton Upright that in this same sale sold for 3200 Guineas, he was purchased by the seller of the champion. Bapton Air Pilot sired the highest priced bull sold in the Argentine last year, \$72,000 Argentine money.

We made the final decision on Bapton Major after he arrived at Chicago. By comparison with our home bred bulls he didn't look much of a herd bull prospect at that time, but after considering the time of over two months it took him to make the trip between Scotland and Chicago, he showed enough quality to assure us that he would develop into a top stock bull. Recent visitors to the farm who saw him in Chicago, say they can hardly believe he is the same bull. He has developed much faster than we ever expected. We don't expect him to please everyone, but we do feel that he shows enough quality and natural fleshing along with his style, to sire the type of calves we want in this country. Look him over sale day and give us your opinion, we always appreciate constructive criticism.

HELFRED SPOTLIGHT 2107727

Needs no one to speak for him. He has the head, the short neck, smoothness over the shoulders, width through and over the crops, depth of body, smooth over the hooks, level and wide around the tail setting. He has deep hind quarters that carry all the way down to the hock with a set of short sturdy legs that are set on each corner of his thick smooth body. We don't know who his new owner will be, but we do know he will own the best red bull that has gone through an auction ring in the past decade.

HELFRED CRUSADER 2d 3135848

Full brother to that great young bull, Helfred Marauder, that is proving such a success in the Cyril Rees herd. At the same age, both bulls looked very much alike, and I am sure everyone will agree that Helfred Marauder is the equal of any bull in the country today, both individually and a sire. Of course after studying the breeding on both sides, it can readily be seen, why the gamble is taken out of buying a herd bull. This calf, although not in high flesh, should not be overlooked sale day.

One of the best balanced bulls in the offering. He is of modern type, compact and deep bodied with a wonderful head. His dam is a very dark roan, low set, thick fleshed, heavy milking cow. She has a very dark red full brother to this bull at foot now. There is every reason to expect this bull to make an outstanding sire. Where would the breed be today if it hadn't been for white bulls?

HELFRED PRENTICE 2154448

Is a calf that needs no introduction. All you have to do is come to the sale and see for yourself, then tell us what you think. Everyone on the farm is really sold on this calf. He has a beautiful head and neck, with a bright prominent eye and smooth as an apple all over his body. His dam stood second at the International as a yearling. She is a thick, low down red cow of the most approved type. She is out of the same dam as the dam of the 1940 International junior champion bull, Maxwalton Proud Emblem. It takes a calf with his conformation and ancestry to make a great sire.

Was added to the sale offering with a great deal of reluctance. She was a first prize winner at all the leading shows in 1940 and 1941, and she is well along carrying her second calf to the service of Sunray. No Shorthorn family has done more for any herd than the Verbenas have done for this one. We have quite a number in the herd and every one an outstanding producer of both bulls and females. They raise good calves regardless of what bull they are sired by. No better female will be sold in any sale.

HELFRED BEAUTY 8th 2107733

Visitors to the farm think this heifer is the individual in the sale. She is everything that could be desired for a breeding cow prospect. Her dam stood second at the International as a yearling, and her granddam was also the dam of the 1940 International junior champion bull, Maxwalton Proud Emblem. This is the kind of a heifer upon which successful herds are founded. She is well along in calf to the service of Helfred Keepsake.

Comrie Farms Offering

With a herd founded on the very best females that could be secured from the strongest breeding nurseries in this country and Canada and through the use of the best herd bulls that could be bought, Comrie Farms have made a splendid record at leading shows and sales in the last few years. This consignment contains daughters of some of the leading sires of the breed in this country and Canada. Four very choice heifers are offered carrying the service of Klaymor Equipoise, the great show and breeding son of the incomparable Collynie Royal Barrage. One daughter of the Perth Champion Millhills Ransom is being offered to give the public an opportunity to buy a daughter of this great sire, and the balance of the offering is made up of females that were bought to increase the breeding herd.

This is a beautiful group of females drawn from one of the greatest herds in the land, a herd we all know and admire, not only because of its top quality, but because of the character and integrity of the owner. We are fortunate indeed to have this fine offering of cattle come to Iowa for distribution amongst the breeders and we trust they will be well received.

KLAYMOR EQUIPOISE
